

# Bag-In-Box Stockmaster™

Organize Bag-In-Box Deliveries

Bag-In-Box Stockmaster

## FEATURES

- **INSTRUCT DISTRIBUTORS TO UNLOAD INVENTORY** onto same unit as working stock.
- **MOBILE CART TRANSFERS SYRUP CONCENTRATES** from inventory to fountain dispensers. Mounting plates are supplied with this unit.
- **ANGLED SHELVES ARE VERTICALLY ADJUSTABLE** to accommodate any bag-in-box size.
- **EACH UNIT CAN BE ADJUSTED** in the field for right-hand or left-hand hinge.
- **MEETS SANITATION REQUIREMENTS.** Excess stock is stored off ground to prevent contamination.
- **REDUCE WORK-RELATED INJURIES** associated with repetitive loading and heavy-lifting.

## NEW & UPDATED FEATURES:

- Pump Mounting Channels organize hoses for a cleaner look.
- Newly designed casters make moving mobile section much easier!
- Improved powder coat finish that increases durability and improves aesthetics.
