

# COOL GLIDE® 20/20

*The Clear Solution for Beverages*

We created cold vault merchandising 35 years ago and now we are introducing our newest Cool Glide innovation. Cool Glide 20/20 incorporates market-based insights into a new design that will consistently front products.

**FULL FAMILY OF GLIDES**

**FITS ANY SIZE SHELF**

## Crystal Clear Product Stop

presents unobstructed product to customers.

## Deeper Glides

increase the strength and pack-out of every shelf.

## Break-Off Sections

make the glide easy to configure for any size shelf.

## Graphic and Pricing Channels

are incorporated into every shelf eliminating the need for secondary extrusions.

## Individual Tracks

can be quickly connected to merchandise different size bottles on the same shelf. Extra tracks can be connected and disconnected without damaging the glide.

## Available in Five Sizes:

- **9-Wide** for 20oz. bottles
- **10-Wide** for 12, 16 & 20oz. cans
- **8-Wide** for 28oz & 1 liter bottles
- **7-Wide** for 32oz. bottles
- **11-Wide Adjustable** for slim cans and multi-packs

*Cool Glide 20/20 shown separated at break off sections. Unit can be configured to fit any size shelf.*
